

WHO WE ARE

Modo is about transforming communities by connecting people with places in a way that's affordable, convenient, inclusive and sustainable. We are a pioneer in the carshare sector. In fact, we were the first to open shop in Vancouver and Victoria back in 1997. Modo has remained the only member-owned carshare cooperative – driven by people – and fueled by our desire to create more livable communities by reducing our collective dependency on car ownership. Our promise is to provide exceptional value, convenience, choice and an enjoyable carsharing experience. Modo's employees take pride in being part of an inclusive, passionate, and growing team.
