

## **Fleet Service Technician**

Vancouver, British Columbia, Canada

### **Modo**

Modo is a pioneer in the carshare sector. In fact, we were the first to open shop in Vancouver and Victoria back in 1997. Since then, other operators have joined the scene, yet we've remained the only member-owned carshare co-operative – driven by people, not profit, and fueled by our desire to create more liveable communities by reducing our collective dependency on car ownership.

We're a small, passionate team, profitable and growing in a big way. Our promise? To provide exceptional value, convenience, choice and an enjoyable customer service experience.

### **Job Summary**

We're seeking qualified individuals to join our Fleet department which services our vehicles throughout Metro Vancouver. This individual will perform basic automotive repair, inspect vehicles for damage and mechanical safety, pick up and drop off vehicles from various locations, clean vehicle interiors and exteriors, and communicate routinely with our Director of Fleet Operations, the Fleet department, and our Member Loyalty Team.

### **Skills and traits considered an asset:**

- Excellent communication skills (verbal and electronic)
- Ability to clean a vehicle's interior and exterior to meet established cleanliness guidelines
- Basic knowledge of Metro Vancouver geography
- Basic knowledge of the Motor Vehicle Safety and Inspection Standards for BC
- Previous automotive repair experience

### **Some "must haves":**

- A valid Class 5 of 7N driver's license with at least three years of driving history, and a clean driver's abstract
- Ability to lift 20 kg
- Basic electrical troubleshooting ability – knowledge of voltage, current flow, resistance, operation of a DMM
- Mechanically adept; able to install a spare tire or change a car battery

- Proficiency with email, smart phones, and apps
- Ability to safely use basic hand tools

### **What's in it for you?**

- One-on-one training program and a supportive team who is committed to your success
- Competitive wage starting at \$17/hour with eligibility for medical and dental benefits, vacation pay and statutory holiday pay
- Company car to be taken home
- Reimbursement for smartphone usage

### **Excited so far?**

Modo is committed to maintaining a healthy, productive, and respectful work environment, free from bullying, harassment, and discrimination, and in which all employees are treated with respect and dignity.

If you're our next Fleet Service Technician, please submit resume and cover letter in PDF format to [jobs@modo.coop](mailto:jobs@modo.coop).
